12. With the exception of Extracted Honey, in instances where the exhibit may qualify for consideration in multiple categories, the Exhibitor shall have the right to choose which category to enter their exhibit; the Exhibitor's selection will not be overturned by the Judge(s); and, said exhibit will be judged based on the criteria set forth in the category selected by the Exhibitor. The Judge shall have discretion to make the final determination as to proper color designation in regard to all exhibits of Extracted Honey.

As used in this rule, the term "Double" is not limited to two, but also encompasses any number greater than one. The Show Secretary shall not knowingly accept any subsequent exhibit which would create a Double Entry. Whenever a Double Entry is created by the decision of a judge in recategorizing an exhibit pursuant to the rules herein, the following procedure shall apply: Prior to the judging of any other exhibits in the affected category, the exhibits constituting the double entry shall be identified and examined by the head Judge; the head Judge shall make a determination as to which of the exhibits constituting the Double Entry is the best under the criteria listed for the affected category; the best exhibit of those comprising the Double Entry will be returned to the show bench, and the other(s) will be disqualified. Whenever a Double Entry results in the disqualification of one or more exhibits, and after the results are publicly announced or posted, it shall be the responsibility of the head judge to personally inform the affected exhibitor of the determination of the Double Entry and subsequent disqualification of the exhibit(s).

V. Security

14. Exhibits must not be marked or identifiable in any way, except as specifically provided herein. Additionally, the Exhibitor may submit multiple cards for any exhibit as the Exhibitor sees fit. Should the Exhibitor wish to submit multiple cards, they should be secured together by staple or paper clips.
26. For all mead, beer, and other honey beverage categories, any Exhibitor may, at their discretion, submit a second bottle for chilled tasting. If the Exhibitor chooses to submit a second bottle for chilled tasting, the Exhibitor must submit two identical specimens, both suitable for judging. After the exhibit is submitted, the show secretary will randomly select one of two bottles to be placed in a cooler or refrigerated container. The show secretary will place the other bottle on the judge's bench. Both bottles submitted will be evaluated for the same criteria as a single bottle exhibit. *If the Exhibitor submits a second bottle for chilled tasting, they must note such on the descriptive card submitted with the exhibit.
27. Copyright of any submitted recipe, artwork, literary work, or other media remains with the exhibitor, but the host organization has the unrestricted right to publish images of submitted recipes, artwork, literary work, or other media in its newsletter, on its website, and via its social media outlets, plus unrestricted rights to use the same in any related material for PR purposes.

The preferred colors of beeswax range from white into all natural shades of the color palette yellow. Wax of other color palettes, especially those including shades of gray or brown, shall be deemed faulted, and shall be penalized by the judge(s) according to the degree of severity of said fault. The preferred aroma of beeswax should include honey and/or floral notes. Other aromas, especially those associated with caramelization, smoke, burnt sugar, chemical contamination/adulteration, or other aromas uncharacteristic of that of commonly found in natural beeswax, shall be considered faulted, and shall be penalized by the judge(s) according to the degree of severity of said fault.
31. The honey show committee reserves the right to reject any exhibit submitted if it is objectionable in any way. For these purposes, the definition of "objectionable" includes, but is not limited to: representations of nudity, graphic violence, profanity, obscenity, or any depictions of a sexually explicit nature. Decisions of the Presiding Judge on this issue will be final.

34. Exhibitors who wish to have their exhibits returned via USPS mail must clearly indicate so on their entry form, AND provide such packaging and packing material(s) as appropriate and adequate to ship their exhibit(s) to the Show Secretary upon submission of said exhibits. Return packaging must include BOTH a self-addressed shipping label AND sufficient pre-paid postage to accommodate the packaged exhibits. Neither the host organization nor any member(s) of the Honey Show Committee shall be responsible for any damage to any exhibit(s) incurred pursuant to return shipping.
35. Exhibits and other items not retrieved by the deadline posted for pick-up, shall be deemed abandoned, and shall be donated to the Honey Show Committee for future use or disposal. The sponsoring organization, nor the Honey Show Committee, is not responsible for any items left after the pick-up deadline.

Prizes and Awards

It is the intention that ribbons will be given in all categories even if there is only one entry in the category. Entry into a category does not guarantee an award. In order to receive an award, that entry must be worthy of placement. A Judge may, in his or her sole discretion, make or withhold the award of any given prize(s) or placement(s) in any category over which said Judge officiates. The decisions of the Judges are final.

Exhibitors found willfully cheating, or purposefully altering or disfiguring an entry for the purpose of influencing the validity of judging will be disqualified from the contest, as well as from any future honey shows sponsored by the association/conference for a period of not less than three (3) years.

Ribbons, Prize Cards & Awards:

Ribbons will be awarded to all winners from First Place through Third Place in each category.

Prize cards for participants in the AHJA Honey Judging Program will be provided electronically (via email) upon written request.

Appeals

After the announcement of awards, any exhibitor may meet with the category judge to discuss their entry and ask questions. An Exhibitor may appeal the Bench Judge's ruling concerning their own exhibit in instances where the Exhibitor believes the Bench Judge misinterpreted or misapplied a rule in regard to the judging of their exhibit. The Presiding Judge, after hearing both sides and examining the rules and the exhibit at issue may, as he or she deems appropriate, uphold, reverse, or amend the decision, award(s), and/or official record in such a manner as to affect the most just result available. The decision of the Presiding Judge is final.

BEVERAGES MADE WITH HONEY (Category B)

PLEASE READ CAREFULLY: Exhibitors should be aware and keep in mind; this is a honey show. These beverage & culinary categories have been specifically chosen because of their ability to showcase honey as an ingredient. The influence and impact of honey on the finished product will be the first, and ultimate, factor the judges will consider when making final awards. The stronger and more pronounced the flavor and aroma of honey is in the finished product, the greater the preference that exhibit will receive from the judges. Conversely, an exhibit of otherwise exceptional quality that does not taste or smell profoundly of honey, will not be placed highly despite the presence of other exceptional qualities.

Meads

Meads are judged in four subcategories: (a) Traditional Sweet, (b) Traditional Dry, (c) Varietal Sweet, and (d) Varietal Dry. Traditional meads contain only honey, water, yeast, and no other flavoring additives. Varietal meads include melomels, piments, cysers, metheglins, hippocras, braggots, sac meads, and dessert meads. Entrants may submit one exhibit in each of these respective subcategories. An exhibit consists of one, clear, uncolored, glass standard 750ml wine bottle. Punt bottles are acceptable as long as they are standard pattern wine bottles. Tee, tasting, or mushroom-style corks are acceptable closures. Bottles should be filled to a point precisely two (2) centimeters from the bottom of the closure. All mead must be produced from honey produced by the Exhibitor. All entries will be tasted. Judges evaluate entries on the following: confirmation with the criteria set forth herein; cleanliness of the container and closure; cleanliness and clarity of the contents; correct fill level; color; clarity; lack of sediment; aroma; flavor, including maturity, body, balance, complexity, and finish; and influence of honey on the final product. *A white card with a description of the type or style of mead and the full recipe (including all ingredients and ingredient quantities) must accompany each exhibit. The Exhibitor should also note on the white card if they have submitted a second bottle for chilled tasting.

The Exhibitor shall place one ID label, as provided by the honey show Secretary, on the front, bottom, center of the bottle, approximately ½ inch from the bottom of the bottle. Additionally, the Exhibitor shall

place one ID label, as provided by the honey show Secretary, on the white card accompanying the exhibit. *In the event an Exhibitor elects to submit a second bottle to be chilled for tasting, the Show Secretary will affix an additional identifying label around the neck of the bottle to be chilled.

FOOD ITEMS MADE WITH HONEY (Category F)

PLEASE READ CAREFULLY: Exhibitors should be aware and keep in mind; this is a honey show. These beverage & culinary categories have been specifically chosen because of their ability to showcase honey as an ingredient. The influence and impact of honey on the finished product will be the first, and ultimate, factor the judges will consider when making final awards. The stronger and more pronounced the flavor and aroma of honey is in the finished product, the greater the preference that exhibit will receive from the judges. Conversely, an exhibit of otherwise exceptional quality that does not taste or smell profoundly of honey, will not be placed highly despite the presence of other exceptional qualities.

Honey Muffins (rolls and muffins)

Entries are to be presented on a cardboard base, in a standard, unembellished, cardboard baker's or cake box; cake boxes with clear windows are also acceptable. Exhibitors, if they wish to, may place their item in a sealed zip-top bag, or wrap the item in paper or plastic film to preserve freshness; the bagged or wrapped item should be submitted in the cardboard baker's or cake box. All entries will be tasted. Judges evaluate entries on the following: appearance, uniformity, moistness, texture, aroma, flavor, influence of honey on the finished product, and originality. *A white card with a description of the item and the recipe (including all ingredients & procedure) must accompany each exhibit. **The Exhibitor, if they wish to, may place their item in a sealed zip-top bag, or wrap the item in paper or plastic film to preserve freshness; the bagged or wrapped item should be submitted in the cardboard baker's or cake box. In the event an exhibit in this category is too large to fit in a commonly available cake box, the exhibitor may submit his/her exhibit in some other appropriate, re-sealable container.

Appendix

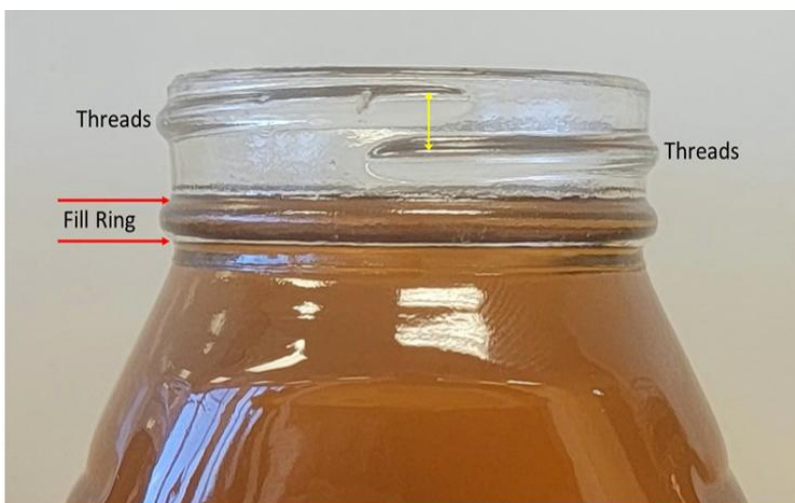

Notes on Correct Fill Level:

The correct fill level on honey entries is at the top of the fill ring of the jar, without going over.

The fill ring is the raised ridge, or ring of glass, immediately above the shoulder of the jar and below the threads. It can be distinguished from the threads in two ways:

- the fill ring forms a complete circle, without ends; and
- the fill ring will be completely parallel with the bottom and top of the jar.

Liquid honey in a circular shape forms a concave surface sometimes referred to as a meniscus. For the purpose of filling jars, the edge of the meniscus should clearly be at the top of the fill ring, without going over.

Jars

Extracted honey should be entered in 1-lb queenline or classic jars.
